

Adoption of National Rules Club Form

Name of Club	
Date	
Website	

As a club we have adopted the F1 National Rule Set as shown on
www.rcformula1.com.au/rules

Please specify any changes that were made to the core rules for use at club level eg; Tamiya only chassis, rubber tyres only, 17.5 blinky instead of 21.5 blinky, or whatever (while the preference is for clubs to adopt the rules as is it is recognised that this may not be practical for all clubs)	
What date will the rules come into effect	

Please specify a committee member as a contact person for RC Formula1:
